COLOGNE FINE ART, 22 - 25 NOVEMBER 2018

OCTOBER 31, 2018

This November Stern Pissarro Gallery will be returning to Cologne Fine Art for the second consecutive year and will present a wide range of artworks from Impressionist, Modern and Contemporary masters. Contemporary highlights will include paintings by Gerhard Richter, Otto Piene and Yayoi Kusama as well as famous projects by Christo including the Reichstag. In our Impressionist and Modern section, viewers will be delighted by an impressive watercolour by Emil Nolde, works by Fernand Léger during his American period as well as pieces by Raoul Dufy, Paul Signac and Marc Chagall. We hope to inspire new and established collectors with a range of carefully sourced works.
