

BRAFA ART FAIR, 26 JANUARY - 3 FEBRUARY 2019

DECEMBER 19, 2018

Stern Pissarro gallery has continually surprised collectors at BRAFA with

exciting new centrepieces over the past five years. BRAFA 2019 will be no

exception, with the gallery showcasing a large work by Belgian artist

Paul Delvaux painted in 1948. The painting is fresh to the market having been in an Asian collection since the 1980s and is an excellent

example of Delvaux's famous series of female nudes set in dream-like landscapes. Other highlights will include important works by masters such

as Karel Appel, Lucio Fontana, Otto Piene, Emil Nolde, Fernand Léger, Yayoi

Kusama and Christo.

Stand 121b
