

COLOGNE FINE ART & DESIGN 2019

OCTOBER 14, 2019

Stern Pissarro Gallery will return to Cologne Fine Art and Design 2019 with a wide selection of Impressionist, Modern, Post-War and Contemporary masters. Among the German artists, we will have works by Max Liebermann, Otto Piene, Christian Rohlf's and a rare, early painting by Arthur Segal from 1930. The gallery is also very active in the Christo market and will be showing a work from his famous Reichstag project.

As specialists in 20th century and Modern masters, Stern Pissarro Gallery will exhibit works by artists such as Henri Matisse, Georges Braque, Marc Chagall, Fernand Léger, Yayoi Kusama, Sam Francis, Alexander Calder, Jim Dine, Antoni Tàpies, Victor Brauner, Maurice Utrillo and Léopold Survage to name a few. Following the success of showing works by contemporary

ceramicist Nam Tran, the gallery will also include an exciting new range of creations by this young, emerging artist.
