

BRAFA ART FAIR, 29 JANUARY - 5 FEBRUARY 2023

DECEMBER 22, 2022

In late January, we travel once again to Brussels to take part in our favourite art fair, BRAFA. Although BRAFA 2022 was only 6 months ago, we will be taking a fresh selection with some exciting new acquisitions.

There will be groups of works by Chagall, Kusama and Christo, as well as a rich array of Impressionist paintings by Renoir, Pissarro, Boudin, Lebasque and Loiseau. Amongst the highlights is a rare 1906 fauve painting of Bruges by Auguste Herbin, and a beautiful standing nude by Pierre Bonnard.

BRAFA moved last year from Tour&Taxi to Brussels Expo, Heysel - where it will remain for 2023. We look forward to greeting many of you at stand 19, and for those unable to attend, during the fair, we will also be sending out images of the stand to share the experience.
