CURRENT EXHIBITION | ART ON PAPER: 1920 TO 2020

APRIL 12, 2023

Since opening in 1964, Stern Pissarro Gallery has built a strong reputation dealing in some of the most renowned names of the

art world. On the 2nd June, they are excited to present 'ART on PAPER: 1920 to 2020', an exhibition which brings together their finest modern and contemporary works on paper. With highlights by blue chip artists such as Matisse, Picasso, Chagall, Calder and Kusama, the selection covers a range of styles, moods and techniques, to provide an insight into the intimate world of paper.

Works on paper are celebrated for their delicacy and versatility. Often, they showcase a more raw and organic approach, providing viewers with a deeper understanding of the artist's technique, away from the typically labour intensive, or overly refined, process of painting.

Offering an attractive access point, they provide collectors with the exciting opportunity of acquiring pieces by the most sought-after names internationally. Amongst the selection is a group of works by one of the most influential artists for the twentieth century, Marc Chagall. From a self-portrait to a still-life, the group is a splendid example of the deeply fantastical and personal imagery Chagall is so revered for today and captures the intimacy and allure of works on paper. Accompanying these will be a variety of contemporary pieces, such as an emblematic work by Anish Kapoor, previously featured in the 1991 'Anish Kapoor Drawings' exhibition at the Tate Gallery.

'ART on PAPER: 1920 to 2020' will run from 2nd June to 1st July 2023 at 66 St James's Street, London. The opening of the exhibition coincides with London Gallery Weekend on the 2nd - 4th June (https://londongalleryweekend.art/). This exciting event will see many galleries across the West end extending their opening hours until 8pm on Friday 2nd June. It is the perfect way to open our latest show and we look forward to welcoming as many of you as possible.

We will also be open late on the 29th June for another exciting addition of Art After Dark, part of West End Gallery Hop! (https://mayfairartweekend.com/) Join us until 8pm on Thursday 29th June for an intimate look at our exhibition, outside of the usual gallery hours.
