

BRAFA ART FAIR, 29 JANUARY - 4 FEBRUARY 2024

NOVEMBER 07, 2023

In late January, we travel once again to Brussels to take part in our favourite art fair, BRAFA.

We will be bringing some exciting new acquisitions which assemble a group of works by Chagall, Christo, Kusama, Kapoor and Weyant, as well as a rich array of Impressionist and post-Impressionist paintings by Renoir, Pissarro, Boudin, Signac, Vlaminck and Martin.

We look forward to greeting many of you at stand 19, and for those unable to attend, during the fair, we will also be sending out images and a VR tour of the stand to share the experience.
