NEW GALLERY REHANG: A JOURNEY THROUGH THE MASTERS

SEPTEMBER 12, 2024

After bidding farewell to ‘Jean-Pierre Cassigneul: Moments of Splendour,’ we are excited to present a fresh rehanging of our gallery collection.

Situated in the heart of St. James's, the gallery now features a distinguished selection of artworks, from a vibrant Paris street scene by Camille Pissarro to striking large-scale pieces by Anish Kapoor. This dynamic collection offers an engaging journey through artistic masters, sure to captivate all who visit.
