

BRAFA ART FAIR, 26 JANUARY - 2 FEBRUARY 2025

NOVEMBER 28, 2024

In January, we travel once again to Brussels to take part in our favourite art fair, BRAFA.

We will be bringing some exciting new acquisitions which assemble a group of works by Chagall, Picasso, Delvaux, Wesselmann, and Cassigneul, as well as a rich array of Impressionist and post-Impressionist paintings by Renoir, Pissarro, Signac, and Martin.

We look forward to greeting many of you at stand 19, and for those unable to attend, during the fair, we will also be sending out images and a VR tour of the stand to share the experience.
