SALON DU DESSIN, 26 - 31 MARCH 2025

FEBRUARY 03, 2025

This year marks Stern Pissarro Gallery's first participation in the Salon du Dessin. The London-based gallery will present an exceptional selection of works on paper by Camille Pissarro, spanning his artistic journey—from his 1850s St. Thomas and Venezuelan periods to his later celebrated market scenes from the 1880s and 1890s.

The stand will be complemented by works from world-renowned 20th-century artists, including Matisse, Picasso, Miró, Hartung, Estève, and Calder, making the gallery a strong addition to the Salon du Dessin this year.

We look forward to welcoming you on our stand 24.
