BRAFA ART FAIR VR TOUR

FEBRUARY 10, 2023

BRAFA Art Fair 2023 has now to come to an end and we are excited to be returning in 2024. For those who missed visiting the fair this year, you can discover our stand by viewing the online virtual tour.

A group of works by Chagall, Kusama and Christo, as well as a rich array of Impressionist paintings by Renoir, Pissarro, Boudin, Lebasque and Loiseau were on display. Amongst the highlights was a rare 1906 fauve painting of Bruges by Auguste Herbin, and a beautiful standing nude by Pierre Bonnard.
