SEPTEMBER 15, 2026

Graphikos is a new art fair dedicated to 19th- and 20th-century European classical art, taking place in Shanghai from 10–15 November 2026. Founded by Eric Gillis and Xiaoling Xu, former TEFAF representative in China, Graphikos is the first fair of its kind in Asia. It will form a dedicated subdivision of West Bund Art & Design, one of the leading art fairs in China and Asia.

For the inaugural edition, we will present a selection of works by Pablo Picasso, Henri Matisse, Marc Chagall, Edgar Degas, Pierre-Auguste Renoir, Paul Signac, Camille Pissarro, and Eugène Boudin.
